

Datenblatt

Datasheet

HALEMEIER

Category, Category Linear lights
Article no., Article no. 5603911
Designation, Versa Linear 1200 12VDC ww
Designation

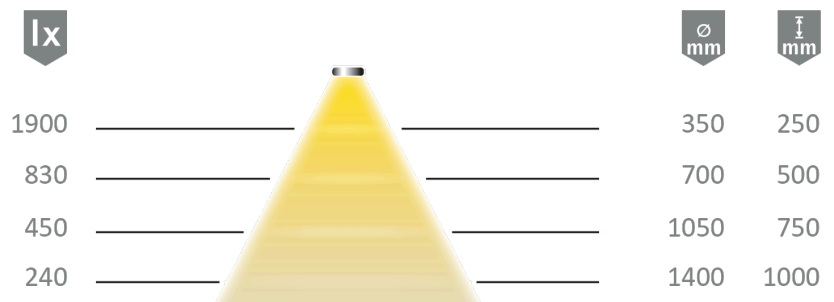

Technical Data Technical Data

Operating voltage, Operating voltage 12 Volt DC
Output, Output max.12 W/m
Energy efficiency class, Energy efficiency class E
Dimmable, Dimmable PWM
Degree of protection, Degree of protection IP20

Lighting parameters Lighting parameters

Light colour, Light colour WarmWhite
Colour temperature, Colour temperature 3.000K - 3.150K
Luminous flux, Luminous flux 1320 lm/m
Colour reproduction, Colour reproduction >90 Ra
Half-value angle, Half-value angle 70 °

General General

Life span:, Life span: 50000 h
Kenn- und Prüfzeichen
