

Datenblatt

Datasheet

HALEMEIER

Category, Category Linear lights
Article no., Article no. 5604411
Designation, Designation Versa Inside 600 12VDC ww

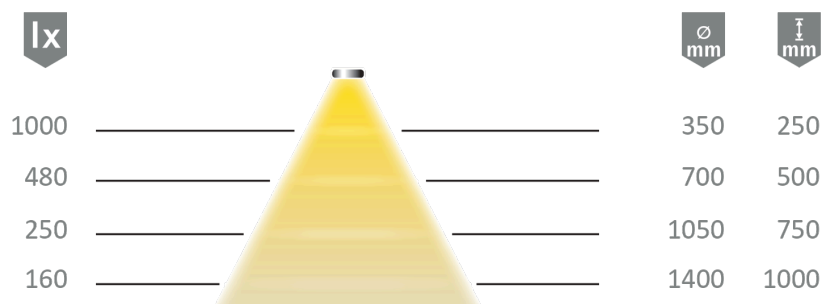

Technical Data Technical Data

Operating voltage, Operating voltage 12 Volt DC
Output, Output max.4 W/m
Energy efficiency class, Energy efficiency class C
Dimmable, Dimmable PWM
Degree of protection, Degree of protection IP20

Lighting parameters Lighting parameters

Light colour, Light colour WarmWhite
Colour temperature, Colour temperature 2.900K - 3.100K
Luminous flux, Luminous flux 600 lm/m
Colour reproduction, Colour reproduction >90 Ra
Half-value angle, Half-value angle 70 °

General General

Life span:, Life span: 60000 h
Kenn- und Prüfzeichen CE
